REPORTS

- DIRECTOR'S REPORT

Director Roanna Hooton reported that she has now been Director of the Library for a year and expressed her appreciation to the Board. We partnered with Historic New Carlisle this month for Gene Stratton-Porter month. The library has been turned into the Land of the Limberlost where you can find real specimens of butterflies, nature journals, butterfly embroidery kits and more. We were awarded a second runner-up prize of \$250 from Beanstack for our Summer Reading Challenge. Many libraries across the country use this app for Summer Reading so it was exciting that we were second place. We also received a grant from Cleveland Cliffs for \$3,500 to use for next year's Summer Reading program. The Library is a sponsor of New Prairie Football through Brocastsports.net. This reaches many people in the community on Friday nights. The administrative staff met this past month to work on ideas for 2024. Some ideas include a seed library for native plants, Staff and Friends appreciation days, additions to the Exploration Garden and more. These are all ideas at this time and committees will be made to work on them. The entrance to the Exploration Garden was redone, the plants there will grow tall and have pink flowers. We have started deposit collections at both the Middle school and High school. A deposit collection is when we loan titles from our own collection to those libraries. Every student

at Olive Elementary now has a student card. Classes have already started visiting us and checking out books, and we are able to count these visits as programs for the annual report.

5. Roanna Hooton presented the salary schedule for 2024 with explanations about the changes. Jennifer Maure commented that the Board has approved raises a few times this past year and asked if this would continue into next year. Roanna Hooton acknowledged that raises were given this past year. In subsequent years, the recommendation is to increase the Salary Schedule by half of the Maximum Levy Growth Quotient. April Rowe asked if a bigger raise like this has happened before and if the low pay is a reason for a higher turnover rate in Clerks. Roanna Hooton responded that a few clerks who have left said the position and what is expected was not worth the current wage. President Casey Gumm commented that this raise in pay would keep the Library competitive with other area libraries.

April Rowe made a motion to approve the 2024 Salary Schedule. Jennifer Maure seconded the motion. Motion carried.

Heather Vann made a motion to approve an across-the board \$3 an hour wage increase (excluding Custodians) in January 2024. Kristen Madren seconded the motion. Motion carried.
