REPORTS

- DIRECTOR'S REPORT

Director Roanna Hooton reported that NPUSC was applying for a federal grant and the library sent in a letter of support. Roanna will speak to the GM Community Engagement representative in the future to see how the library can be involved with that GM project on State Road 2. Tiger Time is scheduled to come on Tuesday and Wednesday but has not come for the last two weeks. The library will provide staffing to have programming for that group when they come. The administrative team is working on a plan to cover all the service desks in 2024. At this time, we have a staff member out on personnel leave and one out for bereavement leave. The library is hosting Spooky night next week. There will be games, popcorn, a spooky walk and a Science show from Professor Steve. Friends of the Library will be volunteering with that program. Amy reported on the server replacement and fire alarm panel replacement. Both projects are moving along and will be done in the next few weeks.

- FINANCIAL REPORT

Assistant Director Amy Schrock gave the financial report, including the Quarter 3 report. Vice President Mindie Colanese asked about the percentage of cash balance compared to the budget. The Director and Assistant Director are watching this closely.
